How Rocky Keeps in Shape

Rocky Marciano, former heavyweight champion, made the jogging scene at Oak street beach yesterday.

Now a resident of Fort Lauderdale, Fla., Marciano was in Chicago for filming of a TV commercial. Tho he has been out of boxing since 1955, Rocky still does his

roadwork. He jogs two miles daily.

Marciano told THE TRIBUNE he has an amateur protege in Chicago, Dan Santiago, a Golden Gloves light heavyweight. Santiago will fight in international matches with Russian and Italian boxing teams this fall, Marciano said.
